

2009

Dear Friend,

Thank you for your interest in The Beachcomber Café Catering at the Malibu Pier. As the concessionaire for the Malibu Pier, we offer a variety of menu options to meet the needs of a simple family or company picnic to a romantic wedding or corporate gala. We also assist our clients in coordinating your specialty custom rental needs; including items such as tables, chairs, décor, linens, plates and glassware if desired.

Each location at the Pier has its own unique personality and can accommodate traditional or themed events. Our buffet menus, which are included in this packet, provide our clients with a variety of options at various pricing structures, or custom menus may be created at additional costs to meet your specific needs. To make the planning process easier for our clients, each menu includes standard tables, folding chairs, linen, either disposable or standard plates, flatware, and glassware (see individual menu for full details). Additionally, an easy to use event estimation worksheet is provided to help you with your planning process. As part of our services, each booked event receives a custom proposal including menus, beverage options, rentals and entertainment options (when applicable).

Should you desire to make the Malibu Pier the destination for your special event, your first step in reserving the specific site and date is to speak with the Director of Catering of the Beachcomber Café Catering. Dates can be reserved up to one year in advance and availability is on a “first come first serve” basis. Once your date and site are reserved, The Beachcomber Café Catering will assist in menu planning and procuring your rental needs to make your special event a memorable one.

In addition to the information in this packet, photos and descriptions are available on our website at www.thebeachcombercafe.com.

We look forward to planning your next event at the Malibu Pier!

Most sincerely,

The Beachcomber Catering Team

Additional time may be coordinated at additional cost. Events may take place on the pier between the hours of 9:00 a.m. and 10:30 p.m.

Amplified Music: Amplified music may be allowed on the pier. Please speak with the catering manager to obtain a full understanding of music allowances and restrictions. All amplified music must cease prior to 10:00 p.m. Amplified music volume levels will be maintained at levels to ensure surrounding neighbors are not disturbed. The event manager will assist your music team with understanding and maintaining the pre-determined sound levels. Some entertainment band types may not be permitted. A sound monitor will be required for all amplification. The Beachcomber will provide a sound monitor as required. Sound monitors are billed on an hourly rate.

Parking: Parking is on a first-come, first-serve basis. Additional secured parking may be arranged through your catering manager. Please note that additional parking will be at additional cost and may require shuttles to transport guests from an off property location to the Pier.

Alternative/Outside Vendors: The Beachcomber Catering team is available to coordinate all your needs for your event and have selected the very best and most reliable vendors to ensure all of the details of your event are flawless; however, we understand that some clients desire to utilize alternative vendors for rental equipment, musicians, etc. Only approved vendors will be allowed to be utilized for events on the pier. An approved list of alternative vendors may be obtained through the catering manager. Upon using alternative vendors, full disclosure of the contract and final invoice must be submitted to the catering manager 10 days prior to the event date. A 20% surcharge will be factored and charged to the client based on the final invoice amount of all non-Beachcomber coordinated contracts. Additionally, all contracts must meet a "fair market value" test or baseline to ensure legitimacy. This is in place to guard against friends donating floral arrangements or a friend providing music etc.

Events held on the pier can be separated from public access through the use of stanchions, rope barriers or tents. Access must also be maintained for emergency vehicles. The Catering manager will assist you in creating an area for your event and guests that meet the required access obligations.

Restrooms: A women's and men's public restroom is located at the base of the pier directly behind the Malibu Pier Club and two additional co-ed restrooms are located at the seaward end of the pier.
